You will need to fill out a separate form for each of our three weekends if you are coming to multiple camps. These camps have filled up the past two winters so be sure to get your forms in early. Please provide as accurate a number as possible. You may subtract campers up until 2 weeks before the camp starts at which point your rate will be locked in and you will need to pay for campers who drop out after that time. You will be able to add campers until camp is full. A confirmation email will be sent once we receive the form.
